**3M Visiting Wizards coming to The Works Museum!**

Looking for a fun family outing over the MLK holiday weekend? Come to The Works Museum on Saturday, January 18 for hands-on activities and demonstrations from the 3M Visiting Wizards. Experiment with simple machines and magnets, make your own Super Slurper Polymer to take home, and enjoy a 30-minute 3M Wizards science and engineering show.

The 3M Visiting Wizards, 3M employee and retiree volunteers, encourage young people to become interested in science and technology by providing interesting science demonstrations and hands-on experiments on a variety of topics.

“We’re so excited to welcome the 3M Visiting Wizards back to The Works Museum. They’re favorites with our visitors, and how often do you get to explore engineering and technology with real scientists and engineers? It’s a great opportunity to experience all of our hands-on exhibits AND do special activities with our friends from 3M,” says Heidi Eschenbach, Programs Manager for The Works Museum.

- WHAT:** 3M Visiting Wizards Day at The Works Museum  
**WHEN:** Saturday, January 18 from 1 p.m. to 4 p.m., 30-minute shows at 1:30 and 3 p.m.  
**WHERE:** The Works Museum, 9740 Grand Ave. S.; Bloomington, MN, 55102  
**PRICE:** All activities included with your \$8 admission and free for members  
**MORE:** For more information on 3M Visiting Wizard Day visit [www.theworks.org](http://www.theworks.org)

**ABOUT THE WORKS MUSEUM.** The Works is where kids explore how things work! Our interactive exhibits encourage hands-on engineering exploration and fun. The Works serves over 60,000 children, families, and educators annually. For more than 18 years we’ve inspired the next generation of innovators and problem-solvers.
